**FINANCIAL STEWARDSHIP UPDATE**

**2011 -2012 Annual Contributions Budget: \$534,000**  
 01/31/2012

Monthly Average Need: \$44,500

Received - January 2012: \$54,517

January was a '5 Sunday Month' so the larger than budgeted amount received was not unexpected (but still very much appreciated).

YTD Contributions Received: \$317,612

YTD Contributions Budget: \$311,500

Over/(Under) Budget: \$ 6,112

Thank you very much for your continued stewardship. On account of your generous contributions throughout the year and especially at the calendar year end, we are currently meeting our budget goals. We hesitate some to publish such outstanding news because some might think the need is not so great. But it is typical for a Parish to be slightly ahead of the budget at this time of the year due to the Christmas season and the end of the tax year. So please continue being generous and we will continue being good stewards of your kindness.

**Work & Health**

**Justice Corner**

Today's readings address two requirements for the life and dignity of every human being: work and health. Job described the plight of workers whose employment was akin to slavery and Simon's mother-in-law needed healing.

Millions of our brothers and sisters here and abroad, work in slave-like conditions for low wages with little access to healthcare. Many suffer (or have loved ones who suffer) chronic ailments that cause severe hardships. Divine justice demands that all people have these basic rights: work that pays enough to provide for the basic needs of families and access to healthcare and healing.

Low wage earners and people living with chronic illness need our help. How do you assist people who are homebound or need help making ends meet?

God calls us to be instruments of healing! Cook a meal for someone who is sick/homebound, buy groceries for a food pantry, or learn how you can partner with Catholic Charities to prevent homelessness.

**Holy Mary Sunday, Feb. 19, 2012.** Women of the Parish are invited to gather for the 8:00AM Mass followed by a continental breakfast and program in the Activity Center. The program speaker is Alice Kennedy from the Heifer Project who will explain the project which will be our Lenten almsgiving outreach. Also all are welcome for an afternoon of socializing and individual crafting in the Activity Center even if not participating in the morning gathering.

**HAVE A HEART . . . TAKE A HEART**

"from the window in the Narthex and send a Valentine to the person and room no. indicated on the heart in time for Valentine Day. Send it to him/her in care of Brookfield Rehabilitation Center, 18740 W. Bluemound Rd, Brookfield WI 53045. (Address will also be available at the display.) Surely this will add a bit of cheer to their day. Thank you."

**Please remember in prayer Jean LeRoy, who has died;** her husband: Ed, both Charter Members of St. Luke; their daughters: Linda and Deb, and their family.  
**Eternal rest grant unto her, O Lord.**  
 R./And let perpetual light shine upon her.  
**May her soul and the souls of all the faithful departed, through the mercy of God, rest in peace. R./ Amen.**

Dear People of St. Luke,

It is hard to believe that over a month has already passed since we concluded our Christmas Season with the Solemnity of Epiphany. Since then we have been reflecting on Jesus' public ministry and our call to discipleship - 'living into our Baptism.' With this Sunday we find ourselves beginning the Fifth Week of Ordinal Time. To give a context to these Sundays until Lent begins with Ash Wednesday on February 22, I offer two short articles on 'Ordinary Time.'

"Wasted time is not a prized commodity in American society. We are a people ruled by the clock. Time is money because time is to be filled with purposeful controlled activity which is productive of things which can be sold. We are convinced that we must be in control of time. The last thing the productive American would want to do is waste time playing around with realities that do not produce a saleable commodity.

"But the Creator of heaven and earth is described by the scriptures as the original and the best of players. Creative activity is playful, and creative people do not feel that what they do is a job. Creative people also have a sense that their creativity and all that they fashion in the creative spirit are gifts they have received. The Christian can speak of this and the contemplative vision which sees all reality as gift or grace. Our thankful response we call worship or Eucharist.

"We cannot speak of Ordinary Time without speaking of Sunday. The every seven-day celebration of the Lord's Day is the basic structure upon which the Church Year is built. The great liturgical seasons of Advent-Christmas and Lent-Easter are more expansive celebrations of particular aspects of the one paschal mystery which we celebrate every Lord's Day. These special seasons focus our attention upon the critical dimensions of one mystery, a mystery so overwhelming that we are compelled to separate out its various elements for particular attention. These seasons in no way minimize the critical importance of the Sunday celebration throughout the rest of the year. Ordinary Time is not very ordinary at all. Ordinary Time, the celebration of Sunday, is the identifying mark of the Christian community which comes together, remembering that on the first day of the week the Lord of Life was raised up and creation came at last to completion. Sunday as a day of play and worship is a sacrament of redeemed time. How we live Sunday proclaims to the world what we believe about redeemed time now and for ever.

"What happens in our churches every Sunday is the fruit of our week. What happens as the fruit of the week past is the beginning of the week to come. Sun-

day, like all sacraments, is simultaneously a point of arrival and departure for Christians on their way to the fullness of the kingdom. This is not ordinary at all. This is the fabric of Christian living.

G. Thomas Ryan writing for LTP has this to say about 'Ordinary (Ordinal) Time.'

What do the words Ordinary Time mean? Dorothy Day said, the term 'Ordinary Time' in our prayer books put me in a state of confusion and irritation. To me, no time is ordinary." She was right. The Ordinary in Ordinary Time refers to ordinal – counted – time, not to a lack of something to celebrate. The Roman document, General Norms for the Liturgical Year and Calendar, says: "Apart from those seasons having their own distinctive character (Advent, Christmastime, Lent, Triduum and Eastertime), 33 or 34 weeks remain in the yearly cycle that do not celebrate a specific aspect of the mystery of Christ. Rather, especially on the Sundays, they are devoted to the mystery of Christ in all its aspects."(#43)

How do we celebrate "the mystery of Christ in all its aspects"? We gather every Sunday. Sunday is our original feast day. Christians have gathered every Sunday – the day of Christ's resurrection, the first day of the week – ever since there were Christians.

Each year there are two blocks of Ordinary Time, one in the winter between Christmastime and Lent, and the other in Summer and Fall, from Pentecost through Christ King. When we gather on Sundays in Ordinary Time, as always, we hear the scriptures proclaimed. We systematically read through the gospels. The first readings from the First Testament of the Bible were chosen for their relationship to the gospel passages. The second readings come from the various letters of the Second Testament of the Bible. The mystery of Christ "in all its aspects" unfolds.

What is the heart of our Sunday celebration? We do our Eucharist; that is, we do our thanksgiving. We praise and thank God for all creation; we pray for the whole world, as we remember Christ's life, death and resurrection. We share the bread and wine, the Body and Blood. We are sent forth to be the Body and Blood of Christ in our homes, our workplaces, our neighborhoods, our towns, our cities, our country, our world. None of this is ordinary by any means. This is the fabric of Christian living."

In this presentation, he will delve into the impact of globalization on the Roman Catholic Church and argue that it must rethink fundamental issues, policies and ways of doing business drawing on its own traditions and concepts. During Lent, which is fast approaching, we will be reminded of our call to be stewards with gifts of time, talent, and treasure as we focus on prayer, fasting and almsgiving. At St. Luke Catholic Church we appreciate your gifts, regardless of how they come. Many of our parishioners have been using our electronic giving program, *Faith Direct*, to give their gifts of treasure. *Faith Direct* is an excellent way to support the parish while reducing the administrative costs of envelopes and saving our wonderful staff and volunteers precious time. To enroll in the *Faith Direct* program you may pick up an enrollment form in the parish office or enroll online at [www.faithdirect.net](http://www.faithdirect.net) using our church code: **WI320**.

I hope you will consider participating in this great program as it has been a wonderful means of support for our parish family. Again, thank you for your generosity.

Sincerely,  
Fr. Augustine

In the Gospel today, we find that Jesus would rise very early before dawn and go to a deserted place to pray and then he went out to preach and to heal.
